### COMPREHENSIVE FELINE DENTISTRY & ORAL SURGERY

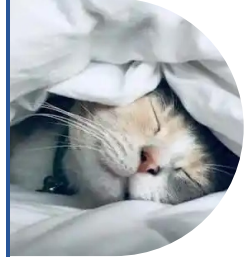

SCAN QR CODE TO SIGN UP!

18th & 19th June 2026  
Wiri, Auckland, NZ

This practical 2-day workshop will help attendees gain confidence in diagnosing common feline oral pathologies both clinically and radiographically, performing extractions and managing maxillofacial trauma with an understanding of jaw biomechanics. It also includes a refresher on local regional blocks and discussions on feline-specific oral conditions.

### FUNDAMENTALS OF ANAESTHESIA FOR VET NURSES

SCAN QR CODE TO SIGN UP!

17th July 2026  
Wiri, Auckland, NZ

This workshop will be a deep dive into the foundations every vet nurse anaesthetist should possess. Troubleshooting machine and equipment errors, mastering intubation and correct cuff inflation, as well as gaining confidence with anaesthesia depth and capnography waveforms – an absolute MUST for today's veterinary nurses in practice.

Sign up to multiple courses to take advantage of an additional 10% multi-buy discount.
